1. Aims

The Tapscott Learning Trust (hereon called "TTLT" or the "Trust") aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

The Trust and its schools are dedicated to ensuring that all members of the school community and the wider community are treated equally, fairly and with respect by the school and by each other. This applies to the school as a place of education, a business, and an employer. Prejudice, discrimination and victimisation are not tolerated and we work hard to instil in our pupils a strong understanding of right and wrong, including the importance of inclusion, acceptance, and compassion towards others. The Trust and each school's main priority is to provide the best education and care that we can, and establish a cooperative working relationship between home and school, so as to aid the development, progress, and needs of all the children in our care.

Through the creation of this single equality plan we have been able to develop a better understanding of what the challenges to equality are within a school and how we can best deal with these. The current summary of equality based actions being undertaken by the Trust is set out in Appendix A - Definitions of terms used throughout the Equality Plan.

Copies of all the policies named are available through the Trust and school websites. Paper copies can be requested at schools through the school office, as outlined in the TTLT Freedom of Information Policy and Procedures.

2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

This document also complies with our Funding Agreement and Articles of Association.

3. The Tapscott Learning Trust Profile

The Trust was formed in September 2017 and at the time of writing consists of Curwen Primary School, Kensington Primary School, Ranelagh Primary School and North Beckton Primary School. All schools are in the London Borough of Newham. The Trust also works in partnership with Rebecca Cheetham Nursery School & Children's Centre which is also located in the London Borough of Newham.

Across the organisation there is a high level of Special Educational Needs and Disabilities (SEND); however the profile of SEND varies across the schools. The Trust is committed to working together in partnership and respecting the unique nature of each schools community.

Curwen, Kensington and Ranelagh have all gained the Inclusion Quality Mark; Curwen has been awarded Centre of Excellence Status and Ranelagh Flagship Status. All schools have staff trained and endorsed to deliver the Autism Education Trust's national certificated programme.

- Work to promote the anti-bullying strategies outlined in the school's **Behaviour and Anti-Bullying Policy**

Parents, carers, and visitors to each school are expected to:

- Work with the school to resolve any incident relating to discrimination or victimisation that their child is involved in
- Respect and follow our equality plan when visiting the school.

5. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training at the start of every academic year.

The school has a designated member of staff for monitoring equality issues, and Equality and SEND Link Governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

6. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the Trust aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, pupils with English as an Additional Language or pupils who are Free School Meals (FSM) or FSM ever 6)
- Taking steps to meet the particular needs of people who have a particular characteristic
- Encouraging people who have a particular characteristic to participate fully in any activities

In fulfilling this aspect of the duty, all schools of the Trust will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

7. Fostering good relations

The Trust aims to foster good relations between those who share a protected characteristic and those who do not share it across all its schools by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English / reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

8. Equality considerations in decision-making

The Trust ensures it has due regard to equality considerations whenever significant decisions are made.

The Trust always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the all schools within the Trust considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities

- Has equivalent facilities for boys and girls

The school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment.

Impact assessments are carried out as part of the review of all school policies and assess whether school policies or plans are having a negative or adverse, or positive impact on groups and individuals within the school community.

9. Key groups at risk

Whilst the Trust recognises that any person or group of people can become victim to discrimination, victimisation or unfair treatment, people may be more at risk of becoming victims of inequality due to:

- **Race or ethnicity**
- **Age**
- **Disability**
- **Sex (gender) including Transgender**
- **Gender reassignment**
- **Marriage or Civil Partnership**
- **Pregnancy and Maternity/Paternity**
- **Religion or belief**
- **Sexual orientation**

The above are known as the Protected Characteristics, hereafter referred to as the characteristics.

10. How is Equality and Social Awareness Promoted in the Trust and within the local community?

10.1. Community Cohesion

The Trust expects all its staff and pupils to act respectfully towards members of the wider communities that each school in the Trust is part of.

10.2. Inclusion

Promoting and practising inclusion in school lessons, around the school sites, during all school activities and into the wider community is a key part of developing a positive attitude towards equality and people from different backgrounds. You can find more information regarding our provision for and policy on inclusion for SEN in the Trust's **Inclusion Policy**.

10.3. Pupil voice

Through our support of student voice, we encourage our pupils to have confidence in voicing their opinions and taking responsibility for the world around them. It is important that we teach our children how to engage in mature social interactions and get along with

a variety of different types of people. This is developed through student voice by interactions between pupils from different year groups, pupils and staff as well as the wider community.

10.4. Recruitment

The Trust is committed to providing equality of opportunity for all and ensuring that all stages of recruitment and selection are fair. Recruitment and selection procedures are reviewed on a regular basis to ensure that applicants are not discriminated against in regard of the characteristics. The Trust acknowledges that unfair discrimination can arise on occasion and so will ensure that the equal opportunities policy outlined in this plan is the foundation for all its activities.

Where a candidate is known personally to a member of the selection panel, this it will be declared before shortlisting takes place. It may then be necessary to change the selection panel to ensure that there is no conflict of interest and that equal opportunities principles are adhered to.

More information about our recruitment procedures can be found in the school's Safeguarding Policy.

10.5. Staff

10.5.1. Equal Opportunities for Staff

As part of our commitment to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment, the school will ensure that:

- all staff appointments and promotions are made on the basis of merit and ability and in compliance with the law
- staffing of the Trust reflects the diversity of our community wherever possible
- as an employer we strive to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce
- we respect the religious beliefs and practice of all staff, pupils and parents, and comply with reasonable requests relating to religious observance and practice
- we ensure that all staff, including support and administrative staff, receive appropriate training and opportunities for professional development, both as individuals and as groups or teams.

10.5.2. Staff Discipline and Suspension

The Trust is committed to ensuring that all school staff are treated fairly and consistently and anyone not adhering to these values is held to account through our respective **staff discipline, conduct, and grievance policies**.

The education and wellbeing of our pupils is our main priority. Any member of staff who creates a barrier to learning for our pupils will be disciplined. The Trust's Appraisal Policy provides more information on how the schools monitor staff performance. We hope that staff will feel confident to voice complaints and grievances in the confidential environment

of the Trust and that they will have confidence that the Trust will deal with their grievances fully, promptly, and fairly. The Trust puts great faith in all its employees, and hopes never to have to discipline anyone as a result of misconduct.

10.6. Behaviour, Exclusions and Attendance

The Trust’s behaviour policies take full account of the duties under the Equality Act. We make reasonable, appropriate and flexible adjustments for pupils with special educational needs and disabilities. We closely monitor data on exclusions and absence from school for evidence of over-representation of different groups, and will take action to address any concerns that arise in this area.

Please refer to each of the schools Attendance and Behaviour Policies for more information on the processes surrounding these topics.

11. Monitoring and Review

This Single Equality Plan will be reviewed every two years by the Trust Board, unless there is specific reason for it to be reviewed earlier (for example an incident involving members of the school community or new legislation).

13. Review of Policy

As this policy is reviewed every two years the review date will next be: **Autumn 2021** (or earlier if there are any incidents that relate to, impact upon equality within the Trust or after any significant changes to a workplace, working practices or staffing).

APPENDIX A

Definitions of terms used throughout the Equality Plan

- **Biological-** Biological sex is the gender assigned at birth, depending on the appearance of the infant
- **Cohesion-** People from different backgrounds getting on well together (good community relations). There is a shared vision and sense of purpose or belonging. Diversity is valued. Relationships are strong, supportive and sustainable. Cohesion is an outcome of equality and inclusion.
- **Community** - From the school's perspective, the term 'community' has a number of meanings:
 - **The school community** – the students we serve, their families and the school's staff.
 - **The community within which the school is located** – in its geographical community, and the people who live and/or work in that area.
 - **The community of Britain** – all schools by definition are part of this.
 - **The global community** – formed by European and international links.
- **Disability** - In the UK a person is considered to have a disability if they have a physical or mental impairment which has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities.
- **Diversity** Recognising that we are all different. Diversity is an outcome of equality and inclusion.
- **Equality** -This is more clearly defined as equality of opportunity and outcome, rather than equality of treatment. This means treating people fairly and according to their needs as some people may need to be treated differently in order to achieve an equal outcome.
- **Equality Impact Assessment** - Equality Impact Assessments are a good measure to ensure the embedding impact of equalities and diversity. Impact assessments should be carried out covering all protected characteristics and they should identify both good practice as well as areas where your performance in ensuring diversity could be improved.
- **Gender** - A person's gender refers to the fact that they are male or female. In relation to a group of people it refers to either men or women or to boys or girls.
- **Gender Identity** -Gender identity is the gender that a person 'identifies' with, or feels themselves to be.
- **Gender Reassignment** - A person may express their gender in a way that differs from or is inconsistent with the physical gender that they were born with. Gender Reassignment may also be known as **Gender Dysphoria**. It does not necessarily require a medical process or treatment to be undertaken. A person may simply make their intention known or may begin to dress or behave according to the gender they identify with.

- **Inclusive** -Making sure everyone can participate, whatever their background or circumstances.
- **Pregnancy and Maternity** - This is the state that any female person of any age are in if they are or have been pregnant, have given birth within the last 26 weeks, or are breast feeding a baby who is aged 26 weeks or younger.
- **Race** - The definition of Race is outlined in the Equality Act 2010 as one of the protected characteristics which refer to a group of people defined by their race, colour, and nationality (including citizenship) ethnic or national origins.
- **Religion or Belief**- The term 'religion or belief' refers to a religious and/or philosophical belief, including lack of belief (e.g. Atheism). A religion must be identifiable and have a clear structure or belief system. A belief need not include faith or worship of a god or gods, but must affect how a person lives their lives or perceives the world (e.g. Humanism)
- **Sexual Orientation** A person's sexual orientation towards (1) persons of the same sex, (2) persons of the opposite sex, or (3) persons of either sex
