

Year 1- Learning

Should do regularly:

- Set a good routine
- Read any book for fun
- Play a game with your family
- Go for a short walk or play outside
- Help your family around the home
- Practice some handwriting

Could do (as much or as little as you want, but remember to have lots of time to relax with your family):

English	Emotional Health	Physical Health	Culture	Science	Maths	Communication
Mrs Elhossainy was thinking about the er special friend, like in the word monster. How many er words can you think of?	Colour Monster was scared to go to school the first day. How did you feel on your first day? Why did you feel like that?	Do some relaxation yoga before bed. https://www.youtube.com/watch?v=xUUq0HuSLS0	Do you believe in monsters? Why or why not?	Sing Head, shoulders, knees and toes. Make sure you do the actions too.	Count from 1-10 forward and backward.	Mind map- What makes a good listener and why it is important?

<p>Write a list of all the things you would take in your book bag to monster school.</p>	<p>We talked about what to do when we are worried. Tell an adult about all the things we can do to feel better when we are worried.</p>	<p>Colour Monster can do 15 star jumps in 20 seconds. How many can you do?</p>	<p>We love to paint! Which colours do I mix to make purple, green and orange?</p>	<p>Draw a monster. Make sure to add head, shoulders, knees, toes, eyes, ears, mouth, nose, fingers and elbow before?</p>	<p>Write the numbers 1-10. Have an adult check your work once you have finished.</p>	<p>Tell your family something exciting that happened at school this week.</p>
<p>Colour Monster is scared and hides in the cupboard at school. Write sentences to explain how you would help him feel better.</p>	<p>Draw/label/write in sentences what you can do if someone is unkind to you.</p>	<p>Imagine you are the Colour Monster. Can you create some monster dance moves?</p>	<p>Sing a song with your family. Can you add actions?</p>	<p>Can you list the 5 senses? How do they help us?</p>	<p>Which numbers represent you? How old are you? What is your door number? How many people are in your family? What is the date of your birthday?</p>	<p>Tell someone 3 important vocabulary words you learned at school this week. Which lesson are they from? Why did you learn them?</p>

Explain how Colour Monster feels at the end of his first day of school? Why does he feel that way?	Draw/label/write in sentences to say who you love, and why you love them.	Play red light, green light with your family. Who can stop the quickest? Who is the fastest?	Create a model of a playground you would find at a monster school.	Create a poster showing how to wash your hands and why it is important.	Sing along with the 10 in the bed song. https://www.youtube.com/watch?v=TdDypyS_5zE	Can you use some of your toys to show/explain to your family how to safely cross the road?
