Communication

Listening:

- To know the key points they need to focus on in order to answer a question.
- To maintain attention and participate actively in collaborative conversations, staying on topic and initiating and responding to comments
- To take turns to talk, listen and respond in two-way conversations and groups.

Culture

The world: Looking at the different local parks in our area- Plashet park, Central park, West ham park and the Olympic park.

Beliefs: Sounds in different places of worship (musical instruments/singing)

Sound: What sounds are around me?

Recording sounds of my local area and recreating sound scapes. How do the sounds make me feel?

Art: Collecting leaves across the terms to compare colours of the seasons. Create a colour pallet.

Supporting your child's learning at home

Homework will be handed out every Friday and should be handed in the following Tuesday unless stated otherwise. Please help your child to practice their spellings in their homework book for a spelling test each week.

We aim to develop a **love for reading** in every child; we know that children who enjoy reading progress further. Please help us by encouraging your child to read for pleasure every day. We also recommend you support your child with fun **mental maths** activities which can be done anywhere! Please ask your class teacher for any help on ideas with supporting reading and maths skills at home.

Please ensure your child comes to school in their PE kit for the days they have Physical health lessons and that your child brings their reading book and guided reading record on their library day.
