# Why Kensington?

To truly answer that question you would need to visit the school. Please do contact us to arrange a visit, we are always delighted to show people round and discuss the opportunities available.

## Children first

At Kensington our children are at the heart of everything we do. In practise this means we carefully consider whether everything from marking to displays impact on learning and, where they don't, we change them. Teachers time is freed up to focus on what really makes a difference: not paperwork or burdensome marking policies!

'...leaders have rightly ensured that the marking process is manageable and does not over-burden teachers.' OFSTED 2016

## Committed community

Our community and our children are fully committed to their learning:

- 100% of parents say their child is happy at the school
- 100% of parents say the school makes sure its pupils are well behaved.
- 100% of parents say their child makes good progress at the school.

## Unparalleled career development

We have opportunities for you to grow and develop whether you are an NQT or have many years experience. Our tailored CPD programmes provide clear pathways for your development, all supported by a dedicated coach, while our bespoke leadership programme develops the skills and knowledge you need to progress in your career.
