

# Declaration of interests

---

Dear Trustees and Governors,

Our trust is committed to acting with integrity and impartiality. To this end, we must keep a register of the relevant business and pecuniary interests of members, trustees, local governors and senior employees.

We're also required to publish these interests with respect to members, trustees, local governors and the accounting officer.

These interests are anything that might sway your decision making, or affect your ability to act in an impartial way. For example, if you:

- Are a trustee or governor at another school or charity
- Work for a company that the school might engage the services of (e.g. a catering or payroll provider, etc.)
- Have a personal relationship with any members, trustees, local governors or employees of the trust (e.g. spouse, partner, relative, etc.)
- Have a partner who supplies services to the school

If you're not sure an interest counts, err on the side of caution and declare it.

We ask that you update us whenever your circumstances change so we can ensure our register of interests is accurate.

Please fill in and return the form below.

Kind regards,

Karen Shirt
