## This week @ Kensington

Dear Parent/Carers,

We have ended the term on a high with another amazing Y5 residential visit to Cheshunt. The children were amazing and loved all the different water-based activities including canoeing, kayaking, paddle-boarding, raft-building and bell-boating. Residential visits are a great opportunity to explore activities which aren't part of the everyday norm and really challenge the children to push themselves outside of their comfort zones. Visits like these also play an important role in our Communication and Health Curriculum and we would love all children to join us one at least one residential during their primary school career.

Next up in the summer term we have Y4 visiting Chigwell Row to take part in activities such as grass-sledging and zorbing and Year 6 are heading to Fairplay House where they will challenge themselves to caving, high ropes and archery. Please look out for further information on how to sign up to these fantastic opportunities and speak to class teachers for further information.

We currently still have spaces available in our Nursery setting for next year, however these are filling up quickly. If you have a younger child or have a family member or friend who may be interested in applying, please come along to our next open day on Wednesday 26<sup>th</sup> April. Ms Ujevic and Ms Patel are hosting two sessions – one at 10.30am and one at 1.30pm – in which they will talk to you about our provision and answer all of your queries.

I would like to wish you all a wonderful Easter break with your children. We look forward to seeing you again in two weeks' time on Tuesday 18<sup>th</sup> April.

Miss Kayleigh Cowx- Deputy Head Teacher

## Star Learners this Week are:

### STAR LEARNER OF THE WEEK EYFS & Year 1

The Star learner is Yusuf B from Y1E

Yusuf B is star learner of the term. He shows a love of reading by sharing stories with friends in the class. He happily does his class work and always tries his best. I am very proud of the progress he has made so far this term.

### STAR LEARNER OF THE WEEK Year 2- 3

The Star learner is Zainab from Y2S

Zainab is the star learner this week for working hard, being helpful, focused and using and applying strategies.

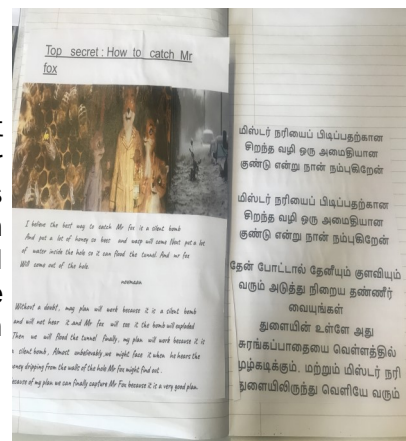

### STAR LEARNER OF THE WEEK Year 4 - 6

The Star learner is Noumaan from Y4R

Noumaan has been chosen as star learner because he is an excellent role model. He is an intelligent, kind, caring boy with a hunger for learning. This term I have seen huge progress in his learning, he seems much more focused now and is always trying his best. He has been writing excellent compound sentences and using a variety of fronted adverbials and has been able to produce a good piece of persuasive writing. He is speaking more and asking questions during lessons. I'm really proud with the way he has flourished in a short space of time. I know that he will achieve amazing things this year,

Well done Noumaan!

## This Week's Performances @ KPS

### School Councillors

Massive well-done to our school councillors and pupil parliament members for all the work they have been doing this term with fundraising & presentation skills. In particular, Mrs. Muddhar & Ms Elliott for working alongside the TTLT to support our children in delivering a presentation to the Trustees:

*"Can you please pass on to everyone involved with Pupil Parliament my congratulations and thanks for the amazing hard work in their development. The presentation yesterday was of such an excellent quality and really showed the ability of our children in public speaking, presentation and ability to engage well with adults. The work the parliament is doing is fantastic and other trustees were blown away with that they saw. All the responses were that it was the best ever Pupil Parliament report!" said Mr Paul Harris.*

Many many thanks!

## Newham's Easter Holiday Activity & Food (HAF) Programme

Parents and Carers– Grab the opportunity !!!!

Newham are delivering a variety of programmes across the borough which range from sports camps to performing and creative arts sessions, from Lego clubs to robot coding and much more.

HAF programmes are taking place in libraries, schools, Youth Zones, parks, places of worship and community centres – meaning there is something local for everyone!

Families are able to book as many sessions as they choose to and manage their bookings online in one space for all of their children/young people. [Newham HAF · Eequ](#)

## 6 O' CLOCK CLUB

Dear Parents/Carers

Just a quick reminder that regular bookings for 6 O' Clock club **MUST** be made by the Friday of the previous week. Whilst we understand that sometimes emergencies arise, in order to safeguard your children and ensure we meet the correct adult/child ratio we require at least 24 hours' notice. Cancellations made with less than 24 hours' notice will incur a £5 charge as catering and staffing levels are calculated accordingly.

Thank you for your support

## Stay Warm in Newham

The Renewal Programme have launched their Stay Warm in Newham project and have opened their first warm bank on Tuesday 24th January.

Newham residents are encouraged to attend our warm bank sessions to access energy-related advice/services and activities, to help reduce energy cost. We also provide a welcoming space for residents to enjoy tea and coffee with some company.

Our warm bank runs three days a week on Tuesdays, Wednesdays, and Fridays from 11:00am- 1:00pm at **The Renewal Programme, 395 High Street North E12 6PG.**

You will have the opportunity to engage with our energy experts, Groundwork's Green Doctors, who will be there every Tuesday to offer advice to residents on how to reduce energy cost while keeping their home warm. They also provide in-depth referrals via telephone calls or home visits (subject to eligibility).

We are also providing hot meals every Wednesdays from 11:30am-1:00pm and will be starting cooking classes very soon!

To find out more and/or to register your interest for the project, please visit our website: <https://www.renewalprogramme.org.uk/stay-warm-in-newham/>

For any questions, please email the project lead:
