On Wednesday at 2pm we would like to invite you to join our King Charles III Coronation party. There will be snacks and games for all to enjoy on the playground. Please send your child to school wearing red, blue and white and send any nut-free snacks you are able to contribute. We also have the below crown making competition for you to get involved with at home. The best crowns will win prizes!

Create a crown fit for the new king to celebrate his coronation!
Be as creative as possible and try using everyday items you can find at home or even recycle.

Please bring in your crowns on Wednesday 10th May 2023..

Crowns will be judged during our coronation celebrations.
Happy creating! ☺

Star Learners this Week are:

STAR LEARNER OF THE WEEK EYFS & Year 1

The Star learner is Ayub from Y1C

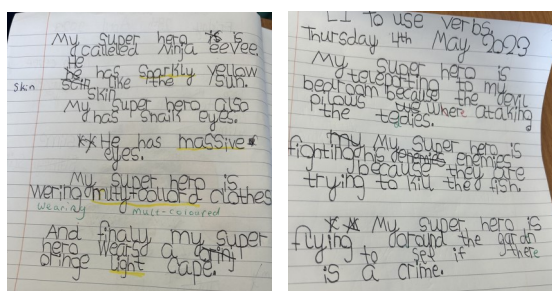

Ayub has been an absolute superstar this term! He has worked hard to improve his handwriting & is able to write independently using his phonic sounds. He has also tried really hard this term to make the right choices & has made me incredibly proud. He is always kind to others and is always making everyone laugh. Well done Ayub! My little superstar.

STAR LEARNER OF THE WEEK Year 2-3

The Star learner is Kiril from Y2G

Kiril is our star learner this week. I have been very impressed with how hard he has been working in English. Kiril used challenging adjectives to describe his own superhero, as well as verbs to describe the exciting missions that his superhero has been completing. Very well done!

STAR LEARNER OF THE WEEK Year 4 - 6

The Star learner is Zahra from Y5G

Zahra has been a model learner and an inspiration to those around her. Lately, she has gained confidence in maths and is now offering help to her friends and classmates. Her learning behaviour is consistently high and she listens and engages well with whatever is being taught. You've had an amazing few weeks Zahra. I'm super proud of you!!

Kensington had a fantastic Intra-Sports week. The children had opportunities to show off their skills, which they've learnt during their Physical Health lessons competing against the other classes in their year group. Wow! The children put on a great performance- you should have seen them go! The results of the competition will be announced next week. Nonetheless they were all champions demonstrating their outstanding sportsmanship!

Outward Bound

On 28th-30th March 2023, Kensington Primary School took their Y5 children to The Hertfordshire Young Mariners Base for an amazing watersports residential.

They stayed at the Lee Valley YHA lodges next door. The children enjoyed a range of different activities such as bell-boating, raft-building, paddle-boarding and kayaking; all delivered by qualified instructors with the help of teaching staff. Residential such as this offer so much for our children and help them develop confidence, resilience, communication and leadership skills; as well as providing a truly memorable experience that children never forget!

Prospective families are welcome to arrange visits at any time.

To arrange a visit or for more information, call: 020 8470 2339 or email: info@kensington.tlt.academy
