## Star Learners this Week are:

### STAR LEARNER OF THE WEEK EYFS & Year 1

The Star learner is Sufyan from Y1E

Sufyan came to us mid phase this year. At the beginning he struggled with learning and didn't speak much. Now he is making amazing progress in writing and as you can see he is using phonics to support with spelling. He did this maths work independently and could verbally explain why he was correct. We are so lucky to have you in our class Sufyan.

### STAR LEARNER OF THE WEEK Year 2-3

The Star learner is Adel from Y2P

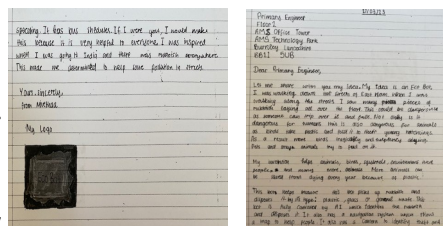

Adel has had a complete transformation this half term! He began year 2 not communicating much and struggling to follow instructions and rules. This half term, we can not keep him quiet! Adel is communicating SO much more, is completely aware of his routine and the rules and is making great progress. Adel's cheeky personality is really beginning to shine through. He has also shown us that he is a caring young boy, always worried about his peers and trying to help them whenever he can. I am extremely proud of Adel and can't wait to see all the amazing things he does throughout his school life.

### STAR LEARNER OF THE WEEK Year 4 - 6

The Star learner is Nivethaa from Y6P

Nivethaa is a role model of a student in many ways. Her attendance, punctuality and self-organisation is impeccable. She is a very honest and reflective person and is always ready to pass on her skills when helping others with her work. Recently we have been editing our previous writing pieces and her edits show really evident progress, which shows her attention to detail and willingness to improve. These are a couple of pieces of work that she is proudest of that show the wide range of subjects that she has devoted her energy to - STEM, writing and art.

## Year 1

Y1I had a wonderful time visiting London Transport Museum. Children had the opportunity to discover over 200 years worth of London's transport history. The children enjoyed exclusive access to historical vehicles and discover how travel in London has changed.

## Kensington Playground

Exciting news... we have received and wanted to share our initial playground design plans.

As you are aware we are fundraising to contribute to the first phase which will take place during the summer holidays.

We have a number of events taking place: Mr Levinson's 50k run, a staff skydive, year group challenges and the summer fair. Please share our fundraising pages with any friends, family and contacts who may wish to contribute.

## School attendance - A reminder to parents

The Tapscott Learning Trust  
Working together, achieving for all

### Absenteeism, Persistent Absenteeism and the issuing of fines / Court Orders

Dear Parents

Several parents have approached the school to question the school's position on absenteeism. In particular queries have been raised around recent letters issued to parents informing them of their child's attendance percentage, that they are required to attend meetings to discuss possible actions, including the issuing of fines or Court Orders.

It is the Department of Education/Ofsted that dictate attendance below **96% is poor and that below 90% is 'persistent absenteeism'**. The reasons for this have been made clear before; good attendance is vital for the success of pupils and their wellbeing. Our own school data, as well as that issued nationally, makes clear that poor attendance results in poorer outcomes for children.

#### The Law

Children must attend school under the **Education Act 1996: section 444**. Poor attendance at school can result in one or more of the following:

- a Parenting Order
- an Education Supervision Order
- a School Attendance Order

a fine (sometimes known as a 'penalty notice')

Parents should understand that attendance is a concern for many children at our school – **These impacts on outcomes for children individually and the school as a whole.**

Schools also have a safeguarding duty, under **Section 175 Education Act 2002**, to investigate any unexplained absences

We will actively seek to enforce the necessary legal actions to address absence affairs where improvements are not seen and /or parents do not engage with or recognise the legitimate concern.

#### They are only children; does it really matter?

The fact is that **children who attend school for less than 96% of the time underperform significantly**, this can also have a huge impact on their personal, social and emotional development as well as their academic progress. It is important that we equip children with the best possible skills in order for them to enjoy school and have the want and desire to achieve.

#### But my child has been ill?

We fully understand that children become unwell however if these become reoccurring absences then the school will need to speak with you and seek alternative support from outside agencies. This could include a school nurse. Usually, children will display sickness late in the evening and early morning, this could be due to tiredness and not wanting to come in. Continue to get your child up and ready and monitor this for a short while. Some children will feel better once they are up and about. It is always good to question – 'Does my child need to be off school for the whole day' and if the absence is necessary. We are not medical practitioners and cannot make decisions on behalf of health professionals, or indeed parents – the choice is yours.

Your child's percentage will lower with both authorised and unauthorised absences. It is important to note that if your child has frequented unauthorised absences and you fail to engage with the school then you can face a penalty notice/fine.

#### I cannot afford a fine, how will I pay the school?

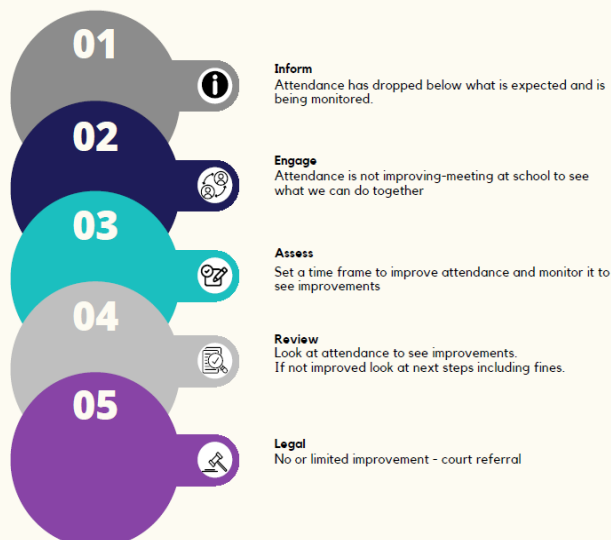

Firstly, fines are not issued by, or paid to the school – despite what you may have read on social media or in popular press. The courts issue fines and the revenue is taken by them. If you cannot pay a fine, this is a matter for the courts and is dealt with in line with any other unpaid debts to the Crown. The school has no say in this.

#### I will not pay the fine, what can they do to me?

Simply put, the fine increases to up to £2500. If you continue not to pay, you can get up to a 3-month prison sentence.

#### Attendance Pathway

This is a system to identify and support. We want to ensure good levels of attendance. At each stage the aim is to make sure child's attendance has improved and maintained.

### I did not realise this and I have received a letter regarding my child's absence. What can I do?

Kensington Primary School is here to help you when and where we can.

- The first step is to attend the meetings you are invited to and to work with the school. This will be your chance to seek support if there are underlying reasons for the absences.
- Recognise that there is an issue, and do all you can to reverse any absence trends. This may be easier said than done, but it cannot be ignored for your child's sake. It is never too late.

Act promptly if you receive notices, attendance letters and/or court notices. They will not go away.

I wish to end by stating that it is my duty as Head Teacher to address poor attendance and the duty of my Governing Body to hold me accountable for it. The vast majority of parents at Kensington Primary School ensure their children attend in line with the expectation and I am grateful for this, as are my staff. I cannot however ignore that attendance in our school, for many children, is below that expected. It is a stark fact that whilst we are driving up standards across the school, many are missing out on and suffering as a result. This has a negative impact on the children and the wider school.

We have always had a firm stance on attendance matters and will continue to do so.

We fully ask for your support and co-operation with this.

## Stay Warm in Newham

The Renewal Programme have launched their Stay Warm in Newham project and have opened their first warm bank on Tuesday 24th January.

Newham residents are encouraged to attend our warm bank sessions to access energy-related advice/services and activities, to help reduce energy cost. We also provide a welcoming space for residents to enjoy tea and coffee with some company.

Our warm bank runs three days a week on Tuesdays, Wednesdays, and Fridays from 11:00am- 1:00pm at **The Renewal Programme, 395 High Street North E12 6PG**.

You will have the opportunity to engage with our energy experts, Groundwork's Green Doctors, who will be there every Tuesday to offer advice to residents on how to reduce energy cost while keeping their home warm. They also provide in-depth referrals via telephone calls or home visits (subject to eligibility).

We are also providing hot meals every Wednesdays from 11:30am- 1:00pm and will be starting cooking classes very soon!

To find out more and/or to register your interest for the project, please visit our website: <https://www.renewalprogramme.org.uk/stay-warm-in-newham/>
