## This week @ Kensington

We are proud to announce we have once again been awarded a Youth Sport Trust Gold Quality Mark for our Health Curriculum. The award recognises schools who go above and beyond to help children keep active and healthy and the Youth Support Trust were impressed with our approach and vision. Our Health Curriculum is the foundation of learning – if children aren't healthy, they will not learn at their best – and continues to be a core part of our curriculum. You can read more about our approach to Physical and Emotional Health and why it is so important here:

<https://www.kensington.newham.sch.uk/page/?title=Health&pid=158>

Our new playground developments will help us to increase our opportunities to encourage your children to keep active. We are hoping to create an environment, which encourages your children to move, climb and enjoy being active. We are excited to announce we have booked phase one of the remodel, which will take place during the summer holidays in the Early Year

playground. As another half-term draws to a close, I would like to thank you all for your continued support and helping us make the school a place 'everyone loves to be.'

I hope you all have a lovely week with your children and find some time to safely enjoy the British sunshine - which is finally making an appearance.

Have a lovely half-term.

Miss Kayleigh Cowx-Deputy Head Teacher

## Star Learners this Week are:

### STAR LEARNER OF THE WEEK EYFS & Year 1

The Star learner is Ralitsa from YRF.

Ralitsa has been chosen because she has produced an amazing piece of writing. Ralitsa has not only been able to rewrite the beginning of Jack and the Beanstalk, she has also been able to independently use finger spaces and segment words aloud to identify the initial, middle and end sounds.

### STAR LEARNER OF THE WEEK Year 2-3

The Star learner is Maryam in Y2G

In emotional health this week we have been learning about inclusion and diversity. On the carpet Maryam confidently contributed to our discussion about the importance of accepting and respecting everyone, regardless of race, religion and abilities etc. She also drew a wonderful poster about this. Maryam is so much more confident in class now and is always kind to everyone. She is a great role model in our school. Well done Maryam!

### STAR LEARNER OF THE WEEK Year 4 - 6

The Star learner is Nusrat from Y6E

Nusrat is cheerful, kind a hard-worker. She always does her best to follow instructions and add personal flair to her work. Here are some examples of high quality work.

## Year 1

This week Y1C & Y1E went to the Transport museum as a way to enhance our previous learning on different modes of transport. As you can see from our pictures we had a fabulous time! We climbed, drove, read and explored. Year one are now experts on transport of the past and present. We would like to thank all of the amazing grownups who came and supported us with our trip! Such an amazing experience!

**@KPS**

Fantastic news! Kensington have successfully achieved their Youth Trust Quality Mark for Physical Health. It's brilliant that all our hard work and participation in keeping fit, healthy and participation in sports has been recognised. Well done Kensington!

Thank you for all your support with our year group fundraisers. Thanks to your generous donation we have collected another amazing £2880 towards our playground remodel. Year 5 and 6 will do their activities after the holidays.

## Fantastic Volunteers

We are so lucky to have so many dedicated volunteers that give up their time to support our children and the school. This year we recruited over 14 new volunteers to support in a number of different ways – however one member of the team stood out as an absolute STAR from day one...

Preetha started volunteering with us at the start of the academic year, and comes to school every day with a smile on her face. Since she has started she has become invaluable to the school. She pushes herself to above and beyond for the children and staff. With training, she has led on interventions in year 2 and supported our SEND children in year 2 and Reception. IN KS2 she regularly supports children with reading and maths on a 1:1 basis as well as taking small groups independently and competently. Amazing for a volunteer!

If you would like to Volunteer please get in touch.

'My name is Franklin and I am currently the Head Cleaner at Kensington Primary School. I have worked here for 5 years and I really enjoy working at this school. The staff are really nice and it is a great atmosphere to work in. I take great pride in my work and do what I can to create a good atmosphere so that the children and staff have a clean school to attend.

The cleaning team do their best everyday and are committed to ensuring that the school remains in a good clean condition at all times.'

## School attendance - A reminder to parents

### Absenteeism, Persistent Absenteeism and the issuing of fines / Court Orders

Dear Parents

Several parents have approached the school to question the school's position on absenteeism. In particular queries have been raised around recent letters issued to parents informing them of their child's attendance percentage, that they are required to attend meetings to discuss possible actions, including the issuing of fines or Court Orders.

It is the Department of Education/Ofsted that dictate attendance below **96% is poor and that below 90% is 'persistent absenteeism'**. The reasons for this have been made clear before; good attendance is vital for the success of pupils and their wellbeing. Our own school data, as well as that issued nationally, makes clear that poor attendance results in poorer outcomes for children.

#### The Law

Children must attend school under the **Education Act 1996: section 444**. Poor attendance at school can result in one or more of the following:

- a Parenting Order
- an Education Supervision Order
- a School Attendance Order

a fine (sometimes known as a 'penalty notice')

Parents should understand that attendance is a concern for many children at our school – **These impacts on outcomes for children individually and the school as a whole.**

Schools also have a safeguarding duty, under **Section 175 Education Act 2002**, to investigate any unexplained absences

We will actively seek to enforce the necessary legal actions to address absence affairs where improvements are not seen and /or parents do not engage with or recognise the legitimate concern.

#### They are only children; does it really matter?

The fact is that **children who attend school for less than 96% of the time underperform significantly**, this can also have a huge impact on their personal, social and emotional development as well as their academic progress. It is important that we equip children with the best possible skills in order for them to enjoy school and have the want and desire to achieve.

#### But my child has been ill?

We fully understand that children become unwell however if these become reoccurring absences then the school will need to speak with you and seek alternative support from outside agencies. This could include a school nurse. Usually, children will display sickness late in the evening and early morning, this could be due to tiredness and not wanting to come in. Continue to get your child up and ready and monitor this for a short while. Some children will feel better once they are up and about. It is always good to question – 'Does my child need to be off school for the whole day' and if the absence is necessary. We are not medical practitioners and cannot make decisions on behalf of health professionals, or indeed parents – the choice is yours.

Your child's percentage will lower with both authorised and unauthorised absences. It is important to note that if your child has frequented unauthorised absences and you fail to engage with the school then you can face a penalty notice/fine.

#### I cannot afford a fine, how will I pay the school?

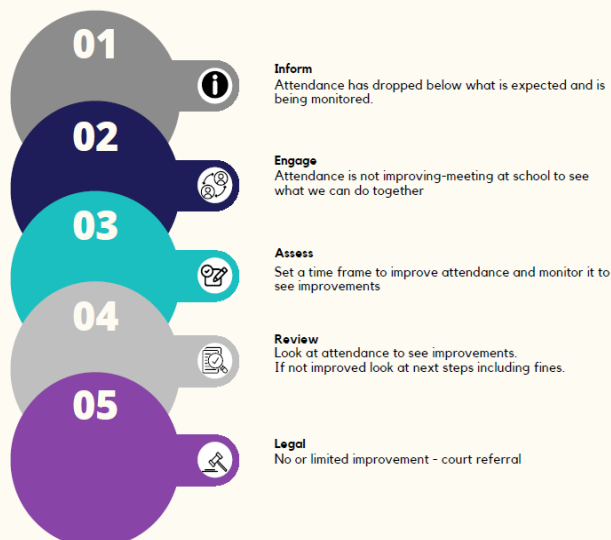

Firstly, fines are not issued by, or paid to the school – despite what you may have read on social media or in popular press. The courts issue fines and the revenue is taken by them. If you cannot pay a fine, this is a matter for the courts and is dealt with in line with any other unpaid debts to the Crown. The school has no say in this.

#### I will not pay the fine, what can they do to me?

Simply put, the fine increases to up to £2500. If you continue not to pay, you can get up to a 3-month prison sentence.

#### Attendance Pathway

This is a system to identify and support. We want to ensure good levels of attendance. At each stage the aim is to make sure child's attendance has improved and maintained.

### I did not realise this and I have received a letter regarding my child's absence. What can I do?

Kensington Primary School is here to help you when and where we can.

- The first step is to attend the meetings you are invited to and to work with the school. This will be your chance to seek support if there are underlying reasons for the absences.
- Recognise that there is an issue, and do all you can to reverse any absence trends. This may be easier said than done, but it cannot be ignored for your child's sake. It is never too late.

Act promptly if you receive notices, attendance letters and/or court notices. They will not go away.

I wish to end by stating that it is my duty as Head Teacher to address poor attendance and the duty of my Governing Body to hold me accountable for it. The vast majority of parents at Kensington Primary School ensure their children attend in line with the expectation and I am grateful for this, as are my staff. I cannot however ignore that attendance in our school, for many children, is below that expected. It is a stark fact that whilst we are driving up standards across the school, many are missing out on and suffering as a result. This has a negative impact on the children and the wider school.

We have always had a firm stance on attendance matters and will continue to do so.

We fully ask for your support and co-operation with this.

## Stay Warm in Newham

The Renewal Programme have launched their Stay Warm in Newham project and have opened their first warm bank on Tuesday 24th January.

Newham residents are encouraged to attend our warm bank sessions to access energy-related advice/services and activities, to help reduce energy cost. We also provide a welcoming space for residents to enjoy tea and coffee with some company.

Our warm bank runs three days a week on Tuesdays, Wednesdays, and Fridays from 11:00am- 1:00pm at **The Renewal Programme, 395 High Street North E12 6PG.**

You will have the opportunity to engage with our energy experts, Groundwork's Green Doctors, who will be there every Tuesday to offer advice to residents on how to reduce energy cost while keeping their home warm. They also provide in-depth referrals via telephone calls or home visits (subject to eligibility).

We are also providing hot meals every Wednesdays from 11:30am- 1:00pm and will be starting cooking classes very soon!

To find out more and/or to register your interest for the project, please visit our website: <https://www.renewalprogramme.org.uk/stay-warm-in-newham/>
