## This week @ Kensington

Mr Levinson's run is finally here! On Monday he will be running around the playground and park from 8.30am – 3.30pm with the aim of running an ultra-marathon – around 50k! – to raise money for our playground remodel.

We would love for you to join us to cheer him on throughout the day starting in the playground at 8.30am. The following year groups will then be joining him in the park, so please come along if you are free.

9.15 - 10.00: Y2

10.15 - 11.00: Y3

11.15: Y6 in the playground (not the park).

1.15 - 2.00: Y4

2.00 - 2.45: Y5

We will all be back here to cheer him over the finish line at 3.30pm. Please note to help us keep the school site secure, we will not be allowing parents/carers onto the site before 3.15pm so please do not arrive early.

It looks like we are in for another warm day, so please make sure your children are wearing cooler clothing (white t-shirts and shorts or thin tracksuit bottoms) and are wearing sunscreen and a summer hat.

If you would still like to donate here is the link <https://www.justgiving.com/crowdfunding/benlevinson50krun> and we will also be collecting small change in buckets throughout the day.

As if that wasn't exciting enough we also have the Youth Sport Trust and the Secretary of State for Education – Gillian Keegan joining us throughout the morning to launch National School Sports Week. Their aim is for families, schools and partner organisations to take the #PledgeToPlay today. The pledge supports the government's request that children are active within school for 30 minutes a day, and then outside of school for at least another 30 minutes, supporting every child to reach the minimum amount of 60 active minutes. As you are aware, raising awareness for Health to become a significant part of the National Curriculum is very important to KPS and we are very proud to show these special visitors what we do best, whilst supporting their important message.

Have a lovely weekend.

Miss Cowx (Deputy Head Teacher)

## Star Learners this Week are:

### STAR LEARNER OF THE WEEK EYFS & Year 1

Nabilah in Pink Class is the star learner this week as she has made excellent progress with her letter formation and has started to independently leave finger spaces between words when writing sentences. She has also become more resilient, working on strategies for self regulation.

Nabilah is a wonderful example to the class, who displays a helpful and considerate approach towards her peers.

### STAR LEARNER OF THE WEEK Year 2 - 3

Y3B's star learner is Atif. Atif is not a star learner for one single piece of work, but for everything he has been doing recently! He has shown amazing effort in ALL lessons to improve his concentration, communication and listening skills over the last two weeks. You are focused and ready to learn as soon as you walk through the door. Mrs Bhambra and I have noticed how hard you have been working and we can see it is improving every piece of work you are doing. I have also seen that Atif is always keen to assist his peers if they are stuck on a task. Keep up this fantastic attitude and I am confident you will continue to make great progress in Year 4. Well done. From Mr B.

### STAR LEARNER OF THE WEEK Year 4 - 6

Y4R you are all amazing!!

This week we went to Chigwell row for our residential and my class have been absolutely brilliant, showing excellent team work skills, patience, resilience and most importantly kindness towards one another.

It was a pleasure getting to know them in a different setting and we captured some amazing memories together.

## Y4 Residential

It is important to download the Studybugs app as this will be the form of communication between school and parents.
