# **Weekly Newsletter**

## **What an amazing first week back we have had at Kensington Primary School...**

This week we were delighted to welcome back children to the school and it was clear that they were so excited to be back. This term we are focusing on developing relationships. This week we have allocated large chunks of the timetable for children to get to know their new teacher and each other in the classroom. We are also doing as much as possible to reach out to parents and making that important initial contact with you. If you are one of the more introverted parents / carers please do seek out your child's new class teacher to say 'hi'!

Over the summer we have been busy making improvements to the school, carrying out essential maintenance and painting classrooms. Sadly we have not been able to complete the EYFS playground works due to continual rainfall. We are planning to finish this as soon as it is practical.

Attendance will be a huge focus for us also this term and we will be working hard with families to support them where necessary. Please remember we will be sending out formal letters more this year as part of a TTLT trust-wide approach to managing attendance. If you would like to discuss this or any matter regarding attendance please message our Attendance Officer via Study Bugs and one of us will contact you.

Have a wonderful weekend and stay cool!

## Star Learners this Week are:

### STAR LEARNER OF THE WEEK EYFS & Year 1

The Star learner in Y1R is Humaira.

Humaira has been a true star from the first day in Y1R, following class rules and helping her peers. She always tries her best and is making good progress in her communication skills and in Phonics, using her phonic knowledge to segment words independently.

Well done Humaira!

### STAR LEARNER OF THE WEEK Year 2 - 3

Abid from Y2U is the star learner! He has been building relationships by being a good listener and also being kind to others. We are so pleased to see in the first week Abid has been such an asset to the class. We hope he continues to keep up the good behaviour!

### STAR LEARNER OF THE WEEK Year 4 - 6

The Y6J Star Learner this week is Laila! She has readily shared her amazing thoughts and ideas during Democracy Week, allowing her writing to be used as a model to support others in her class. She builds good relationships with her peers and is a positive influence on the class. This is also clearly reflected in her excellent work. Well done, Laila!

## Stay Warm in Newham

The Renewal Programme have launched their Stay Warm in Newham project and have opened their first warm bank on Tuesday 24th January.

Newham residents are encouraged to attend our warm bank sessions to access energy-related advice/services and activities, to help reduce energy cost. We also provide a welcoming space for residents to enjoy tea and coffee with some company.

Our warm bank runs three days a week on Tuesdays, Wednesdays, and Fridays from 11:00am- 1:00pm at The Renewal Programme, 395 High Street North E12 6PG.

You will have the opportunity to engage with our energy experts, Groundwork's Green Doctors, who will be there every Tuesday to offer advice to residents on how to reduce energy cost while keeping their home warm. They also provide in-depth referrals via telephone calls or home visits (subject to eligibility).

We are also providing hot meals every Wednesdays from 11:30am- 1:00pm and will be starting cooking classes very soon!
