- YRF @ Flipout East Ham

Thursday, 14th March

- Year 2,5 & 6 Speak out Stay Safe Workshop

Friday, 15th March

- Parent Coffee Morning
- YRL @ East Ham

What an incredible week it has been at KPS! We kick-started the week with some of our Year 5 and 6 children heading off to enjoy an unforgettable educational visit to the Lake District. They have immersed themselves in a variety of thrilling activities such as Gorge walking, Mountain Scrambling, Caving, Rock Climbing, Abseiling and Woodland Games. It was a fantastic opportunity for hands-on learning and building resilience in the great outdoors.

On Thursday our children joined in the festivities of World Book Day, adorning themselves as their favourite book characters. The school was alive with vibrant colours and filled with the excited chatter of children discussing their chosen characters. Additionally, we hosted a parents' coffee workshop where parents shared their personal journeys to the United Kingdom and exchanged their experiences. This gathering not only allowed parents to connect but also sparked discussions and future plans for a multilingual club. Stay tuned for updates!

You will have seen our busy PTA members selling the Kenso Wonder Bars this week. The lucky children with the golden tickets have been treated to a delicious "Afternoon Tea" with Mrs Omole today and each received a £5 voucher for WH Smith. Here is a list of the winners:

Talha-Y6J; Hanan-Y5S; Ibrahim-Y5P; Mustafa & Priya-Y5R; Yasin-Y4B; Vibhusha-Y4H; Aisha, Aishah & Sofia-Y3S; Abid & Yusuf-Y2U & Ahmed K- Y2G

Wishing a joyous Mother's Day to everyone celebrating this Sunday! Have a wonderful weekend, and we look forward to seeing you all on Monday.

Have a great weekend!

Kind Regards,

Ms Omole

Star Learners this Week are:

STAR LEARNER OF THE WEEK EYFS & Year 1

My Star learner of the week is Sajithran. Sajithran has made such amazing progress in all areas of his learning that I had to share it with the whole school. Sajithran has learnt how to regulate himself, how to calmly express when he doesn't want something, He says good morning to all his adults, locates his name independently and has completed numerous tasks independently. One of Sajithran's favourite things to do is read and he is now beginning to read independently. All of his adults are so amazed by him!

STAR LEARNER OF THE WEEK Year 2 - 3

Star Learner is Ayla in Y2U. Ayla exhibits remarkable ambition. She is an amazing role model with a range of qualities. Ayla's outstanding work in Maths reflects her hard work, determination and ambition. She does not only try her best but also sets herself challenging targets. She is a wonderful team player. Ayla is very helpful and plays a vital role in enabling other members of her group to achieve their targets. For these reasons, she is our ambitious and star learner.

STAR LEARNER OF THE WEEK Year 4 - 6

Baqir is Y6B's star learner due to two reasons. Firstly, I have noticed a significant shift in his overall attitude and behaviour which has had a brilliant impact on his relationships and learning. Secondly, last week he produced an engaging, well-written radio commentary for a Quidditch match. It was clear to see how much he likes watching football from the classic and comical quotes he used. Well done Baqir, I am super proud of you.

World Book Day:

On World Book Day this year, Bobby Seagull came to Kensington to give an inspiring assembly to our Year 5 and 6 students. He spoke about his journey throughout his life and how books have shaped who he is today. He spent much of his youth in East Ham Library, soaking up information through reading a variety of books that interested him. His 'love for reading' was evident throughout the assembly, and he demonstrated that this wasn't always the case. However, through finding topics to read about that he found fascinating, it led him down a path of being someone who loves to read. Thanks for coming to speak with us Bobby, we hope to see you again soon!

Lake District Residential:

Golden Ticket Winners:

Studybugs +

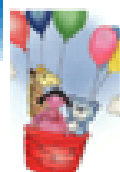

It is important to download the Studybugs app as this will be the form of communication between school and parents.

Please follow the link to download the app: <https://studybugs.com/about/parents>
