Hello Parent and Carers!

As we approach the end of Spring term it is important that we reflect on what is working well in the school and crucially how we can improve. To do this we gather feedback from children, staff and parents in a number of ways. We know from previous feedback that some children wanted more challenge in class; therefore we have 'Adaptive Practice' as a whole school development target and all staff have received training on how they can better adapt their planning to meet the needs of all children in the class. Parents have also told us that they aren't 100% clear on some aspects of our curriculum; so we have opened the doors even more this year and invite parents in to 'learn with your child' and we have more plans to engage parents with the curriculum. Staff have told us that they need support with multilingual learners; so we have provided extra support with this and have recently installed a brand new Multilingual library. In short, your comments make a difference! Please could I ask all parents to spend a few minutes to complete our Spring Survey.

As we enter Summer Term the leadership team at the school will start to consider plans for next year. A big part of this will involve supporting our Year 6 cohort as they transition into secondary education. This will be a top priority for the school. Phase Leader Mr Hope has been made aware of all of the secondary placements and has already started making links with the various Secondary Schools that our children will be attending and meeting with them to discuss our children. We will also be working with the children throughout the whole of the Summer Term to support them right up until they leave the school at the end of July. If you have any questions regarding any of the transitions at the end of this academic year, please do not hesitate to contact your child's class teacher or any member of the leadership team.

Have a great weekend and Ramadan Mubarak to all parents and carers in our community observing this sacred month; wishing you and your families a joyous, reflective and meaningful Ramadan.

Regards,

Mr Leeks

Star Learners this Week are:

STAR LEARNER OF THE WEEK EYFS & Year 1

Aaisha M is the star learner this week in Y1R for her outstanding performance in our 'There's a Rang-Tan in my bedroom'. Aaisha had the lead role and had many lines to rehearse and memorise. She was determined to do it and pushed herself, rehearsing every single day. Not only did she memorise her lines in just under 1 week, she also practiced her role play and made improvements along the way. Well done Aaisha, we are extremely proud of you.

STAR LEARNER OF THE WEEK Year 2 - 3

Y3G Star of the Week is Ameerah. Ameerah has been challenging herself and others around with her desire to be better. She sets herself a task to accomplish each lesson, and then if she finishes, she then uses the extra time to help others. She has been helpful when trying to manage the behaviour, and teach positive behaviours to those on her table and those around her on the carpet. Well done for an amazing few weeks Ameerah!!

STAR LEARNER OF THE WEEK Year 4 - 6

Star learner in Y5P is Maira, she has been an absolute star this term. She has taken complete ownership of her learning and has made exceptional progress, especially in her maths. Maths is something Maira finds a little bit tricky and it isn't always her favourite subject, however, she has persevered and been ambitious with her learning which has really pushed her to become more confident, independent and find a new love for maths. I'm so proud of how hard you have worked Maira. :)

Kensington Heroes:

To Mrs Usmani,

You deserve to be a Kensington Hero for taking the time to come back to work in your own time to help translate for Roxana's meeting with a parent, that was really very kind of you. Thanks you

Love Lin

Y1 Performance:

This week Year 1 performed the book 'There's a Rang-Tan in my bedroom.' The children did an incredible performance on the importance of saving our environment and how deforestation affects the animals that live there. The children were captivating! Their dedication, creativity and teamwork shone brightly through their role-play. The performance touched on all our core values, 'Be Brave, Be Ambitious, Be Curious and Be Kind.' Well done Year1, we are so proud of you!
