

## Science

Continuing scientific enquiry skills such as observation, accurate measurement or recording results.

Are all plants the same?

How are they similar and different?

Take a walk around the playground and look at the different plants:

What do you notice about them?

Which areas of the playground are getting the sunlight?

What does it tell us about the plants?

Look at areas where there is no sunlight.

What kind of plants would we need to put there?

## Technology

Coding. Using Micro:Bit and creating healthy eating game

## Emotional Health

What mental health is, how it relates to physical health and what has a negative impact on mental health.

Permission seeking in friendships.

British law regarding marriage.

## English core text: Rose Blanche (Fiction)

The boy at the top of the mountain/letters from the lighthouse.
