

OPAL (Outdoor Play and Learning)

You are all now well aware of Kensington's playground filled with not only children, but fairy dells, huge sandpits and mud kitchens. Quite an unusual playground! But it is an amazing opportunity for children's minds to soar. It has got off to a great start and it is wonderful to see the children's imagination fly as they make their muddy chocolate cake, create shelters out of crates and tarp and design the most wonderful patterns on rocks. In the other playground, there are ball games galore - ping pong, basketball and, of course, football. Cricket will be introduced and Tag Rugby too throughout the year.

Children may come home messy because of their play - at Kensington we say that this means it's been a brilliant day.

Mr Raza and Mr Turuka who lead on OPAL are in the playground at the beginning and the end of the day if you have any questions.
