Subject Leaders

Mr Shamji - Digital and Computing Lead
Mr Woodhead - Gardening Lead
Mrs Shamji - RE and Emotional Health Lead
Miss Malik - Science and RSE Lead
Miss Jubin - Reading Lead
Miss Isaac - Physical Health Lead

Thank you for getting to school on time.

Kensington completely understands how frantic mornings can be in a household. Encouraging your child with countdowns, 'We are leaving in 5 minutes,' is the sound across many houses. It is great that you are really trying to get your children here on time. The support you have shown is fantastic, and there has been a real improvement in children coming to school on time; in fact, it has halved from last term to this term.

Geographers and Artists Explore the River Thames

On Thursday 24th September, Y3R had a fantastic day exploring some of London's landmarks along the River Thames. The children loved taking in the sights and used their observational skills to carefully sketch the landmarks they saw. It was a fun day for all!

[In a World Where
You Can Be
Anything. Be Kind](#)

Well done to the children who have been chosen for showing kindness this week. Each week, our Emotional Health Leaders choose children who have impressed them.
