

Sports Premium Plan 2017-18

Summary information		Review – December 17 and July 2018			
Academic Year	2017-18	Total SP budget Total planned expenditure Sports premium will be subsidised to cover the difference.	£20,370	Date of most recent S P Review	December 2017
Total number of pupils	615	Number of pupils eligible for PP	122	Date for next internal review of this strategy	Dec 17 July 18

1. Barriers to future attainment (for pupils eligible for SP)

In-school barriers <i>(issues to be overcome in school, such as poor oral language skills)</i>	
A.	Low self-esteem (especially boys) due to poor fine and gross motor skills
B.	Percentage of children (18%) working below age expected, due to a number of reasons including inactive lifestyles.
C.	Fewer opportunities to take part in 'inter' and 'intra' school competition.
External barriers <i>(issues which also require action outside school, such as low attendance rates)</i>	
D.	Low attendance and lateness issues.

2. Desired outcomes (<i>Desired outcomes and how they will be measured</i>)		Success criteria
1	Staff are confident to deliver high quality PE sessions and promote healthy lifestyles, in order to support the reduction of the percentage of children working towards age-expected, from 18% to 12%.	Identified staff and NQT are supported and confident to deliver effective PE sessions. Coaches and specialists (Paul Belcher from The Tapscott Learning Trust to support planning and T &L. Children are engaged and meet their targets.
2	Increased participation in competitive sport both 'inter' and 'intra' school in partnership with The Tapscott Learning Trust.	30% of children taking part in 'inter' and 'intra' school competitions by the end of Autumn Term and 100 % by the end of July 2018.
3	Increased opportunities for all children to take part in after-school clubs and break and lunchtime structured activities and clubs specifically.	40 % of children are part of the club by the end of Autumn term and 85 % by the end of July 2016 to attend at least one club.
4	Continue and develop parent's participation further in sporting events, clubs and other events to promote healthy lifestyle.	Cumulatively 1000+ parents taking part in sporting and other events by the end of the year.
5.	Promoting swimming further and enabling children in KS2 to swim 25m unaided.	50 % of children in Y4 attending swimming lessons to swim 25m unaided.

3. Planned expenditure				£15,000	
Desired outcome	Chosen action / approach	How will you ensure it is implemented well?	Staff lead	Review	
<p>1. Staff are confident to deliver high quality PE sessions and promote healthy lifestyles, in order to support the reduction of the percentage of children working towards age-expected, from 18% to 12%.</p> <p>100% teaching is good or better.</p>	<ol style="list-style-type: none"> 1. Training and employing dedicated sports coach and specialists support from TTLT. 2. Jaffar Raza and Sunny Hunjan to identify needs and plan support 3. SH/Denis Hasanaj and PB to facilitate team teaching and support the delivery of quality PE sessions. 4. Develop gross and fine motor skills in the EYFS with a particular focus on boys. Raise awareness of this need through support during planning and sharing strategies. 5. Teachers are planning for opportunities to acquire and develop different sport skills. Opportunities for different sports are mapped onto the PE curriculum and key skills for each sport are shared with staff by JR/SH/PB. 6. Teachers plan for opportunities to use and apply PE skills taught. Year group leaders to plan inter year group competitions. 	<ol style="list-style-type: none"> 1.learning walk, discussion with the teachers 2.Evidence trail, team teaching 3.Using internal data to monitor progress especially PD. 4.Learning walk, team teaching in EYFS, attending PPA 5.Learning walk, team teaching in KS1, attending PPA, PE curriculum and skills map 6.monitring and learning walks KS2 classes. 	<p>JR SH DH PB</p>	<p>Atumn 17 and July 18</p>

Autumn - **The effect of the expenditure on eligible and other pupils**

Due to effective PE sessions, consistent and quality support from SH and PB, and an effective and efficient plan in place, our children have been taking part in every competition organised by the TTLT and performed well. 14% (80/555) children took part in inter school competition (three events Dance, Gym and Dodgeball competitions were cancelled) Y3, 90/555 children 16% children participated in intra school (inter-class) sitting volley ball competition. Altogether, 30% children participated in inter and intra school competition in Autumn term. See below the table for results and impact.

Sport	Final Standing	Venue	Date
TTLT Girls Football Festival Yr 6	1st	West Ham United Foundation	29 th September 2017
TTLT Boys Football Festival	2nd	West Ham United Foundation	29 th September 2017

Premier League Primary Stars	Progressed to the next round (regional finals)	West Ham United Foundation	7 th December 2017
TTLT Yr 3/4 Boys Football Festival	1st	West Ham United Foundation	26 th January 2018
TTLT Yr 3/4 Girls Football Festival	4th	West Ham United Foundation	26 th January 2018
TTLT KS1 Mini Olympics	2nd	Ranelagh Primary School	2 nd February 2018
TTLT Yr 5/6 Rugby Competition	2nd	West Ham United Foundation	23 rd February 2018
Cumberland Sports Partnership – Tri-Golf	1st	Newham Leisure Centre	13 th March 2018

3. Increased opportunities for all children to take part in after-school clubs and break and lunchtime structured activities and clubs specifically.

1. JR to organise range of quality before, play/lunchtime and after-school clubs.
2. Ensure that 85% of children from YR to Y6 attend at least one before, play/lunchtime and after school club by July 2018.
3. Create a data report at the end of each term to ensure the participation of all children and to address any issues regarding obesity (share data with the link governor).
4. Each club to produce an outcome to share

1. List of clubs, feedback from pupils.
2. data report
3. Data report, pupil/parents feedback.
4. Feedback from SLT, link Governor and parents/carers.

Autumn - **The effect of the expenditure on eligible and other pupils**

From our current information (Autumn 2017) 59.3% of children (329 out of 555) attend at least 1 after school club each week. Of this, 51.2 % of pupil premium children (63 out of 123) attend at least 1 after school club each week. 57.9 % of SEND (33 out of 58) children attend at least 1 after school club each week with 1:1 support provided for those children who require it.

<i>Day</i>	Number of clubs	Number of children	Percentage out of school (555)
<i>Mon</i>	4	83	15%
<i>Tue</i>	8	143	26%
<i>Wed</i>	10	213	38%
<i>Thu</i>	5	113	20%
<i>Fri</i>	3 (including homework clubs Y1-Y6)	200	36%

4. Continue and develop parent's participation further in sporting events, clubs and other events to promote healthy lifestyle.	<p>1.JR to promote clubs further by engaging parents in choosing clubs .</p> <p>2.ask club leaders to produce a synopsis of their clubs and produce an outcome to share with parents at the end of each term and publish on website/app.</p> <p>3. Increase participation of parents/carers attending sporting events e.g. sports days, sports relief day, intra school competition.</p>	<p>1.data analysis of clubs</p> <p>2.learning walks, briefing, phase meetings</p> <p>3.Parent/carers feedback</p>	JR	<p>Autumn17</p> <p>Spring 18</p> <p>Summer 18</p>

Autumn - The effect of the expenditure on eligible and other pupils

1236 parents participated in different events in Autumn Term 2017, the increasing number of parents highlights that the relationships and communications are getting better and stronger and as a result, a vast majority of children are on track to achieve their targets.

Y3 celebrated a family healthy living afternoon with parent/carers focusing on three main and important areas. These include, physical education, sustainability (recycling) and healthy eating. During the afternoon, children and parents had the opportunities to take part in a range of activities and were equipped with information and knowledge on how to keep healthy. 35 parents/carers participated and said;

IB's mum, "what an amazing afternoon! Thank you for giving parents the opportunity to get involved with some fantastic (healthy) activities. Winning a tennis racquet was a bonus."

EP's parent, "Very fun afternoon to educate parents and children together."

SS' Parent, "I really enjoyed healthy living workshop. It was so much fun. I think S enjoyed equally. I would love to join next time too."

Almost all the children now bring their PE kit and take part in PE lessons on a regular basis.

We are now extending the healthy living afternoon to the other year groups. EYFS parents/carers and children will be taking part in a family healthy living afternoon on Wednesday 24th January 2018 and Y4 on Tuesday 6th February 2018.

5. Promoting swimming	1. Promote swimming outside of school by	1.Evidence trail, phase	JR	Autumn 17

further and enabling children in KS2 to swim 25m unaided.	raising awareness amongst parents. 2. Organise for local swimming providers to attend parents evening and share sign up information with parents. 3.Regular swimming sessions for Year 4 pupils (weekly) to enable them to swim 25 metres unaided. 4. SEND (HNF) children to attend swimming lessons on a weekly basis (Autumn Term).	meeting 2.Pupil/parent questionnaire 3.Club data (Autumn, Spring,Summer) 4.VCM, PPM meeting' swimming sessions certificates	SH HHs MO	Spring 18 Summer18
---	--	--	-----------------	-----------------------

Planned expenditure = £2,500

(Coming out of the school's budget)

Autumn - The effect of the expenditure on eligible and other pupils

Currently, Y4 S children are taking part in swimming sessions. We extended our swimming session time from half hour to one hour (November 17) to provide opportunities to the children to further develop their swimming skills.

The manager and a swimming coach from Active Newham attended our parents evening (November 2017), set up a stall and promoted swimming by discussing the advantages of swimming and highlighted the importance of swimming and mentioned about the special offers and support for kids and parents.

Swimming classes for SEND children weekly, are children taking part in these sessions are becoming independent in the water and as a result, their self-esteem and confidence are developing continuously and they are on track to achieve their targets.

Swimming skills information for Y4S (Y4U will start swimming in Spring 2)

	0M	5M	10M	15M	20M	25M
September17	81%(22/27)	19%(5/27)				
January 18	33% (9/27)	26% (7/27)	19%(5/27)	15% (4/27)	3% (1/27)	3% (1/27)
July 18						

Additional detail

There are a number of areas that we will focus and develop using the sports premium in 2017-18. These include,

- Providing support and CPD opportunities for all teaching and support staff during PE sessions using specialist coaches
- Delivering consistently high quality PE provision
- Increasing participation in extra-curricular activities and inter and intra school sports competition.
- Promoting sports and healthy lifestyle across the school and the community
- Motivating and involving least active children to take part in sporting activities and promoting Growth Mind-set further
- Providing a range of before, during and after school clubs to raise children's soft skills including confidence, independence and resilience.
- Developing networking with local sporting organisations and participate in a range of intra and inter-school competitions.
- Promoting swimming further and enabling children in KS2 to swim 25m unaided.
