

2018-2019 SCHOOL COUNCIL & HOUSE CAPTAIN PROFILES

- I am really proud to be a House Captain, because I've always wanted to improve the school and have such an important role. I am really happy that I can share my views and ideas on how to improve our school and make it a better place!
- I want our school to be the best school in Newham... well not just in Newham! What I love about this school is that allow us to have many important roles and we get to share our ideas and views!
- I also love the fact that we go to meetings to discuss new ideas for our school! The best thing is that everyone get a second chance and we have opportunities to learn from our mistakes.

- Hi, my name is Faatimah and I am so proud to be chosen as House Captain for Milton, because it's a great opportunity and many others don't have a chance... so I need to demonstrate that I am leading our House well!
- While I am House Captain, I hope that I can change the boring things, for example some of the sport activities and turn them into something amazing...like our school motto says, 'A place everyone loves to be.'

- I am proud to be a School Councillor, because I want to change things for the better, including looking at playground equipment for the school. If we want more fun equipment, we need to work together so that we take good care of stationery in our classes, like glue sticks, pencils, etc. Any money to replace these could instead be used to buy more playground equipment, so let's take better care of what we have.
- Additionally, Nursery & Reception have a trampoline, so we have worked together so that Key Stage 1 and Key Stage 2 have one as well.
- We can make this school an even better place.
